January 1, 2009: BESSY and HMI merge to Helmholtz Zentrum Berlin

BENSC
Visitors Club
BADGE

- **ORACLE data base**
- **ORACLE forms**
- **Perl**

BESSY:

BOAT

- **ORACLE data base**
- **php5**

GATE

from start of HZB:

- ➢ **Common start page**

- ➢ **Merging of existing user data base**

decide which ID will be used further on

no information must get lost!
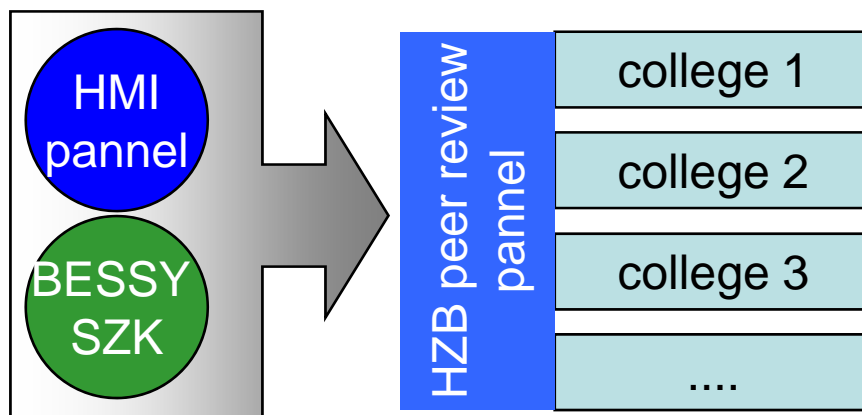

BENS
user-ID

BE
us

- ➢ **Adjustment of ORACLE-user-tables for future registrations**

- ➢ **Adjustment of ORACLE-affiliation-tables**

in 2009:

➢**Harmonisation of beamtime application / allocation**

❖ **one** peer review pannel for **both** probes

➢ scientific content

➢ technical requirements

➢ types of applications: test, normal, long-tern, BAG...

➢**Harmonisation of beamtime applications**

in parallel:

> **development of a new homogeneous user management system**

functionality:

- user personal data management
- application procedure
- peer review process
- allocation
- preparation
- safety instructions
